APPRECIATION OF SERVICE RENDERED: CHEF MARTIN KOBALD

After the absence of many years, the Chef of the Year Competition has been re-established. The SA Navy Chef of the Year Competition was held early in February 2010, where your efforts, keenness and passion were exhibited.

Your commitment has ensured the success of this prestigious event.

I look forward to the good relations and co-operation, where I trust, it will grow from strength to strength in the coming years.

Thank you again for your positive and supportive involvement in the competition.

Kind regards.

(J. MUDIMU)
CHIEF OF THE NAVY: VICE ADMIRAL
